For 35 years, the Raleigh Jaycees has been sponsoring an annual Haunted House. Running from October 15th through October 31st, the 2009 event promises to continue the tradition of being the best scare in town. We are estimating over 5,000 people will experience this year's Haunted House, "Terror at Possum Creek: No Vacancy". The Raleigh Jaycees is a not-for-profit organization of men and women between the ages of 21 and 40 which promotes leadership development through community service (www.raleighjaycees.org).

Hinging on our commitment to volunteerism, **100% of the planning and operation for our haunted house is completed by committed volunteers.** Many of our volunteers return year after year and contribute to the hundreds of hours spent annually on making our haunt a success because they have experienced the dynamic influence of our organization. As one of the chapter's larger fundraisers, we rely on the proceeds of the Haunted House to support our ongoing activities encouraging professional and personal growth resulting in effective leadership that contributes to the local, national and global community.

Running such a large event over an extended period of time requires an enormous amount of support from our community. This support includes monetary and in-kind donations. In exchange for your contributions to the 2009 Terror at Possum Creek, [sponsorships](#) are available.

All providers are invited to participate in run-night activities. Possum Creek will provide exhibition space for sponsors given notification by October 1st. For more information, contact shanna@ncjaycees.org.
